	Information Technology Process		
	Effective Date: March, 2022	Rev. No.: 00	Doc. No.: P-IT-01

6. PROCESS DETAILS

6.1 PROCESS INPUT

- New Hiring Request
- PR/PO
- Official Issues Requests

6.2 Process Operations

Sr.	Process Cycle Description	Responsibility	Form
1	Vendor Selection IT shall submit RFQ to the pre-approved vendors to obtain prices for the required items. IT prepares comparison sheet for ITs department manager & Projects Control Manager's approval. A price list to be updated every 3-6 month with the latest prices based on market price changes & to be sent to Tender.	IT	RFQ F-P-VMO-01-01 Comparison Sheet F-P-PU-01-05
2	New Hiring Requests HR notifies IT with new hired employee through CRM system. • IT determines the device type suitable for the employee (Refer to IT Policy) • IT checks required device in stock • If the device isn't available in the stock, IT submits PR for Project/Department Manager approval then proceed with PO to the selected vendor • If the device is available in the stock, IT submits PR for Project/Department Manager approval then proceed with PO to allocate the cost center via ERP	HR IT Department Manager/PM	IT Policy PR (ERP) PO (ERP)

	Information Technology Process		
	Effective Date: March, 2022	Rev. No.: 00	Doc. No.: P-IT-01

	- IT receives the devices, then getting them prepared with the related software & business e-mail for the employee to start working with no delay - Each employee will receive his/her device via Adoption of Receiving Device Form		Adoption of Receiving Device F-P-IT-01-01
3	New Projects Once IT get notified about new projects, IT coordinates with the PM to do a site survey to determine the project's requirements, as follows: - If the project requires a permanent IT to be allocated on site, if not, regular visits to be conducted according to visit schedule or on-call requests. - Suitable server and local network for the project - Create e-filing for the project on the company's server (Refer to Control of Records, Filing, Archiving and Backup Process P-QD-08) - Photocopiers, printers, and plotter according to the project needs after coordination with PM - Cameras to monitor warehouses and caravans. - Time-lapse cameras, if needed after coordination with Commercial dept. - Desktops and laptops after coordination with PM to determine if it's client or RME custody. - For any released device to the client, "Adoption of Receiving Device" form to be utilized.	IT PM	Adoption of Receiving F-P-IT-01-01
